THEATRES-CONTINUED

Anna Q. Nilsson and Lewis Stone are the stars in this story of the inside life of a famous movie vanguard. Buffalo Bill, Jr. will be seen in "Thundering Romance," on Sunday. A wild cattle stampede, during which the frenzied beasts plunge over a cliff to their destruction, and a daring feat of horsemanship in which Buffalo Bill, Jr. rescues a dazed and senseless girl from under the hoofs of the maddened herd, form some of the thrills.

Jack Jones will be featured in "The Man Who Played Square," on Tuesday; and "Daring Youth" will be shown on Wednesday. The attraction for next Thursday and Friday will be "If I Marry Again" featuring Doris Kenyon. The story concerns a young man who is sent to a tropical isle by his father because of his marriage to an "undesirable" girl, in the hope that his love will die and that he will return to his father. Anna Q. Nilsson, Lloyd Hughes and Hobart Bosworth are in the cast.

THE RETINA

The Retina Theatre program for the coming week will include: "Franklyn Farm" on Sunday; "Border Intrigue," Saturday; "Bob Carter in 'Flashing Spurs,'" Sunday; "Tom Mix in 'The Last of the Pioneers,'" Monday; "Larry Simon's comedy," Tuesday; "The Girl in Lincolnton," Wednesday; "Ora Carey in 'Getting Her Man,'" Wednesday; "The new Pathé serial 'Idaho,'" and the thrill drama "Manhattan," Thursday.

"The Jester" will be shown at the Jester Theatre on Saturday.

"He Who Gets Slapped" will be the feature on Sunday, Monday and Tuesday. It is the story of a brilliant scientist, who is deserted by his wife, and whose life work is stolen by his patron and friend. "He," embittered, and seeking forgiveness, becomes a clown in a French circus. This is the beginning of the story, and the picture carries its audience in to the backstage of a European circus, with the story told by clowns, acrobats, trick artists and other performers of the hippodrome. Lou Chancy, Norma Shearer and John Gilbert lead the strong cast.

"Daring Youth," a drama of part time marriage, will be presented on Wednesday. Mae Murray will be featured in "Circus the Enchantress," next Thursday and Friday. She appears as an mythical goddess of Greece who transformed men into swine, and her modern prototype, a siren of New Orleans and New York. In the latter role, she is given an opportunity of wearing more than thirty costumes, changes of gowns and dresses. She performs two dances in the picture which are different from anything she has previously done before the camera.

THE VENUS

The Venus Theatre will offer as a special attraction this Saturday, a vaudeville program, with Rip Easton, the black faced funny man, Montgomery, the musical king, and others in a comedy "Load of Wood."

House Peters will be starred in "The Tornado," on Sunday, Monday and Tuesday. The picture was adapted from Lincoln A. Carter's famous emotional melodrama of the same name. It tells the story of a man who seeks to lose his identity and beat the winds of his lust by terrorizing the South Sea Islands. His great strength and forceful temper cause him to be known as "Tornado." There is a gripping love interest, and two stagy scenes where hurtling logs and a storm combine with a tornado to destroy a little logging camp settlement. Ruth Chiffon, Richard Tucker, Nellie Lavigne and Kate Price are prominently cast. "The Shadow of the East" will be presented on Wednesday. Thomas Meighan in "Tongues of Flame," on Thursday and Friday; Buck Jones in "Against All Odds," next Saturday, March 14.

"The Olympia" "Priscilla Law in 'A Cafe in Cairo'" will be the Olympia Theatre special this Saturday. A western drama, "The Low Riders Come Back" will also be offered.

Kim-Tin-Tin, the fighting dog, with Wm. Collier, Jr. and Louise Fazenda "The Lightening Bolt" will be the special on Sunday and Monday. The story centers around the adventures of a lightning bolt which strikes the Pacific coast, who stand in the way of a band of bootleggers that carry on their nefarious trade in that locality. The bootleggers capture the keepers of the lighthouse and throw the government boat off its pursuit by putting the light out. But Kim-Tin-Tin, whose blind has grasped the full significance and importance, manages to start the light again, and then escapes the clanking machinery between the revenue officers and the bootleggers, with Kim-Tin-Tin flashing his lightning bolts. Rip Easton for the week will be "Irene Rick" in "The Woman on Tuesday." Thomas Meighan in "The Good of the Race," Wednesday, and George H. H. in "The Woman on Tuesday." Rip Easton for the week will be "Irene Rick" in "The Woman on Tuesday." Thomas Meighan in "The Good of the Race," Wednesday, and George H. H. in "The Woman on Tuesday."

THE CASINO

Bill Cody in "Border Justice" will be the Casino Theatre special this Saturday. "Real Hart" will be seen in "The Valley of Vanishing Men," on Sunday and Monday. "It is a story of a terrifying adventure in the desolate desert hills, away from all the traveled trails. All the frontier town legends testify that some one has been wandering here, in quest of fabled treasure, has been seen."

"The Criterion" Richard Dix will be featured in the thrilling photoplay "Manhattan."

Partial Eclipse Of Tiger Flowers

PRESTON NEWS SERVICE.
MADISON SQ. GARDEN, N. Y., March 4.—Jack Delaney of Bridgeport, Conn., accused of using a blacksmith ax to cut Tiger Flowers out of his position, stepped into the ring with Flowers again Thursday night and knocked him out, twice in one round.

Both knockouts were dealt in the fourth round, but Patsey Haley, the referee, became confused when Flowers went into his collapse and ruled that Delaney had fouled him, so that Delaney could not use such an uppercut in the puffed house that it was reversed and the fighters were called from their corners, again to resume the fight.

After another minute of fighting, Delaney shot the accomplished straight right smash against the Tiger's jaw and sent him down again, this time officially and for the count.

As soon as Flowers had been aroused from his second, Delaney dragged to his corner. Delaney's gloves were cut from his wrists with a little, which he then put on a very well-equipped fight manager, who exhibited at the ring side to prove that he had neither gas pipe nor sandbag nor locomotive axle concealed within them. He shook his handbag (which was in a vain effort to reveal to public gaze any scrap of evidence that might have been hidden there).

Having thus proved his innocence across the ring and had chery chat with Flowers, who was laughing as though he enjoyed nothing in the world more than being knocked out twice in one fight.

Associated Negro Press.
NEW YORK, N. Y., March 4.—Jack Delaney, the bridgeport, Conn., scientist, took Tiger Flowers, the Georgia sensation, in tow again Thursday night, administering a knockout in the fourth round. Flowers, as is his wont, carried the latter to Delaney, but he failed to enter the white better and was knocked out three times in the final period.

This defeat, following so close upon the last round knockout scored by Delaney, a month ago, puts some question of a crisis in the Tiger's championship aspirations. So far Delaney has been the only one of his weight to get the Tiger's goat. Flowers met the middleweight champion, Harry Greb, in Chicago last year and whipped him to a frazzle. He has beaten up other men who have made it hot for Delaney. Still, as long as the French-Canadian stands the way, the Georgia boy will have to be content to take second.

He is far from through, however. He is one of the "dick fighters in the game, always one of the fans a run for their money and he will have to beat them all up with the exception of his one possible nemesis. It would be interesting now to see Flowers and Slattery, who has twice beaten Delaney, look up.

Incidentally, a pile of the news that has come to the Tiger has been because of the sterling work of his manager, Walter Miller. (He is forced to think of what manager of Miller's might, might have meant to Harry Willis. The big heavyweight has been waiting around for a chance to live a decent life, and steadily declining in popularity. Flowers has been fighting, taking money and even driving bargains. For his last knock out at the hands of Delaney, he received two and one-half per cent more than he did for the first. That was Miller's work. It ought to mean something to Freddy Mulline. If Willis is as good as the "fats" think he is, he should be trotted out and kept in action, against anybody and everybody.

PHILIP GRANVILLE BESTS FRIGERIO IN MILE EVENT

PRESTON NEWS SERVICE.
NEW YORK, March 4.—Philip Granville, Canadian and former winner of the American National walking title, scored a spectacular victory over Tony Frigerio, dapper Italian and Olympic champion, in a mile and a half heat and two event that aroused the crowd to a high pitch of track mania. The men were here more than two yards apart until the last lap, when Granville broke away from the Italian, leaving him a second behind.

Dismales Signs Contract To Manage Memphis Red Sox

PRESTON NEWS SERVICE.
PITTSBURGH, Pa., March 4.—William "Dixie" Dismales, manager of the A. B. C.'s of Indianapolis and the Birmingham Buck Bunch, advanced last week to be a manager-secretary for the Memphis

they repeatedly tried frantically and feverishly to penetrate the jumping Jacks' impenetrable defense, yet they did fail to make reputable base players in a year or two. The jumping Jacks must be the strong team of the circuit this month as they have not tasted defeat.

NASHVILLE OMEGA QUINTETT DEFEATS KAPPA

NASHVILLE, Tenn., March 4.—Before a large crowd of cheering fans, the Omega quintette defeated the Kappa five by a score of 17 to 13 Feb. 25. The game was bitterly fought throughout. The Kappa played a bang offensive but was unable to cope with the Omega defense. Thompson, former captain of the Lincoln University Varsity and in whom the Kappa had placed high hopes, was unable to get away and left the game via The Personal Pool Route. Although the game started slowly the interest grew fast and the first half ended 3 to 4 in Omega's favor.

The second half was the scene of wonderful passing and spectacular shooting by both teams. The outstanding players were Singleton and Kent for Omega, Bell and Walker for Kappa. Also notable was the superb floor work of Townes, formerly of the Washington fraternity, who played during the last three minutes of play Kappa attempted to stage a comeback. Bell scored two baskets in succession. Intense interest was manifested in this game because of the winner of it eliminating teams except Omega and Alpha for the local fraternity championship.

Many nukes in Nashville's ultra society set were being along the side lines.

Negro Flyweight Fighting Way To Championship Title

NEW YORK CITY, March 4.—Archie News Service. Al Brown, the greatest colored flyweight since the days of George Dixon, "Little Champion," found good in his love of foreign soil when the little fighting machine met and whipped Davey Abraham, the Panama champion, in a sizzling six-round encounter which topped the bill at the Rink Arena in Brooklyn last week.

Brown, despite the fact that there were other stars on the program like Young Marry of Philadelphia, Solly Barfield and Sgt. Sammy Baker was given the headline position as a token of esteem in which he is held by the promoters. It was quite a feather in Brown's cap to get this unusual honor.

Brown did far better, considering the fact that it was his first appearance away from Manhattan Island, than he expected, and he went away from Brooklyn with the critics and the fans in high praise of him. Al proved a revelation in punching and boxing, and Al's little efforts to land effectively gave the fans quite a laugh.

Al showed conclusively that he stands alone today as the logical contender for a crack at either Frankie Goetz's American Flyweight title or Joe Dundee's world's crown. Brown gave an exhibition of one-iron punching, wasting five blows that created a lot of talk among the Brooklyn fans.

Speedy Moulton Goes East

Speedy Moulton, middleweight boxer, left for Buffalo, N. Y., last week to join the boxing stable of Paul R. Carr, who has one of the best sets of boxers in New York. Moulton and another boxer of the Carr stable, Jimmie Slattery, will work together. Slattery defeated Young Strickling, the Georgia champion, some time ago.

Moulton is said to have married recently and if he is not kept busy in the East, he may be expected to come back home soon.

CUBA, PANAMA AND CANAL ZONE GET D. OF E. TEMPLE

NEW YORK, March 4.—Three important foreign branches to the I. O. O. F. were held temples set up and instituted by Mrs. Laura E. Williams, Grand Master of the Grand Temple, within the last two months. The new Langhorne Elk Temple here set up in Havana, Cuba, in the Havana Temple No. 223, with 70 new members. In Colon, Canal Zone, Joseph Temple No. 224, with 70 new members. In Panama City, Panama Temple No. 224, with 70 new members.

RACE PREJUDICE!

"I am convinced myself that there is no more evil in this present world than race prejudice; none at all!"

"I write deliberately: it is the worst single thing in life now. It justifies and holds together the hatred and abomination than any other sort of error in the world." —H. G. Wells.

THE NEGRO AND STATE APPOINTMENTS

Governor Baker has been elected. He has been inaugurated and he is now exercising his power to appoint capable men and women to fill important positions in the State Government. By awarding politics and the exercise of his power in any manner, the Governor has assumed one difficulty after another in making his appointments stick. He made former Governor Hyde out of his hair by appointing him to the Senate into accepting his selections against their will; he rewarded Dr. Cortez Enloe, his personal friend and deserving supporter, with probably the largest appointment at his command, while State Chairman Phares and National Committeeman Clements looked on with scorn; and he has completely assumed control of the State Highway Commission, the State Eminentenary Board, the Department of Food and Drugs, the Penal Board and every other department of consequence in the State machinery. This may or may not be as it should be.

The outstanding feature, to our mind, is that the Governor in his selections has overlooked a very important group of citizens who were his loyal supporters during the primary campaign and also the general election.

Governor Baker therefore has an opportunity to serve, peculiarly his own. He must rise or fall on his own decisions. It is our contention that in view of the fact that he only won the election by less than 6000 votes, that he owes the 15,000 Negro voters of Missouri a very definite share of the appointments under his control. We urge that they should be made on the same basis of efficiency as required by others and disapprove of any awards not in line with the same.

It would be a splendid thing for the Governor to call in a group of Negro representatives and hear their opinion on this matter. There is a growing sentiment that our group, whose votes were so earnestly solicited in November, is now being side-tracked or held in the background until all worthwhile positions are filled. This has been done repeatedly, it is pointed out, and results in no representation on party councils for the race. The race looks to those who from the rostrum and platform extolled the virtues of Governor Baker, and the Republican party, to make good their promise of a new era. We hope that Governor Baker will measure up to their pre-election oratory by doing something worthwhile. There are numerous departments where his recommendation would be acceptable. Why can't we have some recognition after election as well as before? The Governor has the answer in his own hands.

INSIDE DOPE ON KLAN

In last week's issue of this paper, it will be recalled that we reproduced a story from the St. Louis Star, which gave an account of a lecture, made by an organizer of the Ku Klux Klan, revealing some inside dope on the workings and doings of the Ku Klux Klan in and about St. Louis.

We invite all Negroes, Jews, Catholics and Greeks to take notice of this insidious propaganda. If there is anyone interested in how the Klan is trying to pit race against race, by appealing to race prejudice in the most subtle form, they should read that story.

Such propaganda may serve to win the point when men are hoodwinked by startling pictures of imaginary wrongs, which are supposed to be imposed upon them by others, but in the end, it is only undermining the very foundation of a government like this of ours. It is a breed of race hatred, and makes "cowards of men."

We pity, yes, we more than pity the man who argues "Let them alone and they will soon die." It is criminal, and such persons should and ought to be jointly charged as "accessories before the fact" when any crime is laid at the Klan's door.

While peaceful and patriotic citizens are industriously going round selling race hatred, and sowing seeds of dissension among the people. Yet, there are men who, for the sake and greed of office, court favor, and lend encouragement to such organizations.

The Klan, without our knowledge, consultation or will has taught this fight to us. The Klan challenges the right of Jews, Catholics, Negroes and Greeks to citizenship rights in America. The so-called one hundred percenters have banded themselves under the cloak of an invisible empire, and have hoodwinked under masks pulled down all over their heads, and faces, leaving only holes for their eyes, and have declared war. As we see it, there is nothing left for the Jews, Greeks, Catholics and Negroes to do but get out of the country, or fight.

In their cunning, some of the Jews tell the Negroes, that they are not opposed to the Jews. In the presence of Jews, Catholics and Greeks the same thing; but, now and then, appears one like the ex-policeman, Dunaway, who tells, behind closed doors, the full meaning of the Klan, and just what its aims and purposes are.

We imagine that the supporters of J. Hugo Grimm felt like having a child after that cold, distant, and reserved speech of his last Monday night at St. Paul Church. It may be that the ex-judge was only giving them a foretaste of what they may expect if he is elected mayor.

That religion which impels one to respect the rights of his fellowmen is good enough for me.

It's a pretty nice thing to follow a man because he does something for you personally, but one should lose sight of self when matters affecting the whole race are at stake.

Now tell us, tell us really, what is the motive of Victor J. Miller for the colored people, except a lot of talk?

There is one thing certain, we do not think much of the religion or Christianity of the members of the Ku Klux Klan, except that they are a big band of hypocrites.

Play safe. Vote for Louis P. Aloe for mayor. Take no chances with the Ku Klux Klan, your arch enemy.
